Dear advocate Nel

REPRESENTATIONS: INVESTIGATIONS AGAINST MR FIKILE MBALULA BROOKLYN CAS 158/08/2019

REVIEW IN TERMS OF SECTION 22(C) OF THE NPA ACT 32 OF 1998

Your representations in respect of the above-mentioned subject matter dated 2 March 2026 refers.

Kindly note that I have carefully considered your representations, requesting a review of the decision of the Director of Public Prosecutions North Gauteng (NG) division in respect of this matter wherein he took a decision not to prosecute Mr Fikile Mbalula on charges of corruption in this matter. I considered his report together with that of prosecutors involved in this matter and available evidence in this matter.

In terms of section 22 (1) (c) of the NPA Act 32 of 1998 read with section 179 (5) (d) of the constitution Act 108/1996, during the review process of his decision. I have noted that there are some further investigations that are required to strengthen the State's case. I have directed Head of the DPCI to assist in expediting those investigations.

I have informed the DPP NG of the referral of the matter to DPCI for further investigation. The DPCI has been instructed to prioritise these investigations. You will be informed of the outcome of the review once the DPCI's investigations have been completed.

Kind Regards

ADV. A. MOTHIBI
